

YALE GIVES DEGREE TO MARSHAL FOCH

French Soldier Gets Rousing Welcome From People of New Haven.

SEES FOOTBALL GAME

Large Military Escort Attends Visitor on Way to the University.

Special Dispatch to THE NEW YORK HERALD.

NEW HAVEN, Conn., Nov. 12.—Marshal Ferdinand Foch was welcomed by Connecticut at New Haven today, received the degree of doctor of laws from Yale and attended the Yale-Princeton football game in the afternoon. The marshal's special train arrived at 8:45 and shortly after 9 was backed up to a

marquee, where Gov. Everett and acting Mayor John W. Murphy were waiting.

After their reception, a troop of cavalry and three regiments of infantry escorted the Marshal to Woodbridge Hall at Yale, where Dr. James R. Angell, president of the university, welcomed him and escorted him to Woolsey Hall, where the convocation was held. Thousands tried vainly to enter the building.

During the commemorative ode, sung by Miss Grace Kerns of New York, accompanied by the New Haven Symphony Orchestra, one of the color bearers fell in a faint and lay on the floor motionless. Army officers and Dean Winteritz of the medical school revived him.

Marshal Foch lunched with Dr. Angell, and on his way to the football game drove through the principal streets, where the crowds cheered him heartily.

Marshal Foch spent the night at the

home of Col. Hiram Bingham. At 10 o'clock to-morrow morning he will go to the Public Health Service Hospital No. 41 in Allington and attend church. He will leave at 1 o'clock for Providence.

TWO KILLED, 4 HURT IN AUTOMOBILE CRASH

Cars Meet Head On Near Lake Massapequa.

Two automobiles crashed head on yesterday morning on the Merrick road, near Massapequa Lake, L. I. Two men were killed outright and four others injured. The automobiles, driven by George Barbonas, chauffeur for Dr. George Kane of Bay Shore, overturned, killing Barbonas to death. Emil Beyer of Glen Head, a passenger in the other car, was thrown out on his head and died in Nassau County Hospital.

Dr. Kane, Dr. William P. Heinecke of Babylon and Frank Cronin and Anton Graybeak were injured. Dr. Heinecke received a fracture of the arm, the others being cut and bruised. Edwin Everts of Glen Head drove the automobile in which Beyer rode. The others were in Dr. Kane's car.

Everts was charged with reckless driving on the complaint of Dr. Kane and was held in \$5,000 bail by Justice of the Peace Southard in Wantagh.

NEW FEDERAL FORM IS SEEN FOR RUSSIA

Former Minister of Foreign Affairs Does Not Fear Chaos.

Dr. Paul N. Millukov, formerly Russian Minister of Foreign Affairs of the pre-Bolshevik republican Government, said last night that he had been misquoted in newspaper accounts of his speech at Town Hall Friday night, which said he believed the fall of the Bolsheviks meant monarchy or chaos. This is the opposite of his real view, Dr. Millukov said.

"You can see that even at present Russia is not a desert," he said. "Elements of organization can still be found wherever you go. You may find everywhere, by the side of destruction and ruin, germs of new life. Under the heavy cloak of Bolshevik uniformity Russia is alive. You can see how mistaken is the view that anarchy and chaos are bound to follow when Bolshevik power is removed. Elements of new power and the nuclei of new gov-

ernmental structure are to be found everywhere, and they can crystallize at any moment."

These will arise locally, Dr. Millukov thinks, and will soon be consolidated into a new federal form of government. There is danger, however, of monarchist activities, though he declared a monarchy would not be popular and could not last.

POISON DEALERS IN PRISON.

Two Newburgh Men First Sentenced for Misbranding.

James Arnum, 30, and Aaron Berkley, 45, were committed yesterday to East View Penitentiary on an odd charge of having failed to label and record the sale of poison. They began sentences of three months each.

They were the first offenders admitted to the penitentiary charged with violating Section 174 of the Penal Code, which requires labeling and recording the sale of poisonous drugs. The two were arrested in Newburgh and pleaded guilty. Warden Warren McClellan found jobs for them on the prison farm.

THE STORY OF REVILLON FURS

Wraps for the Opera

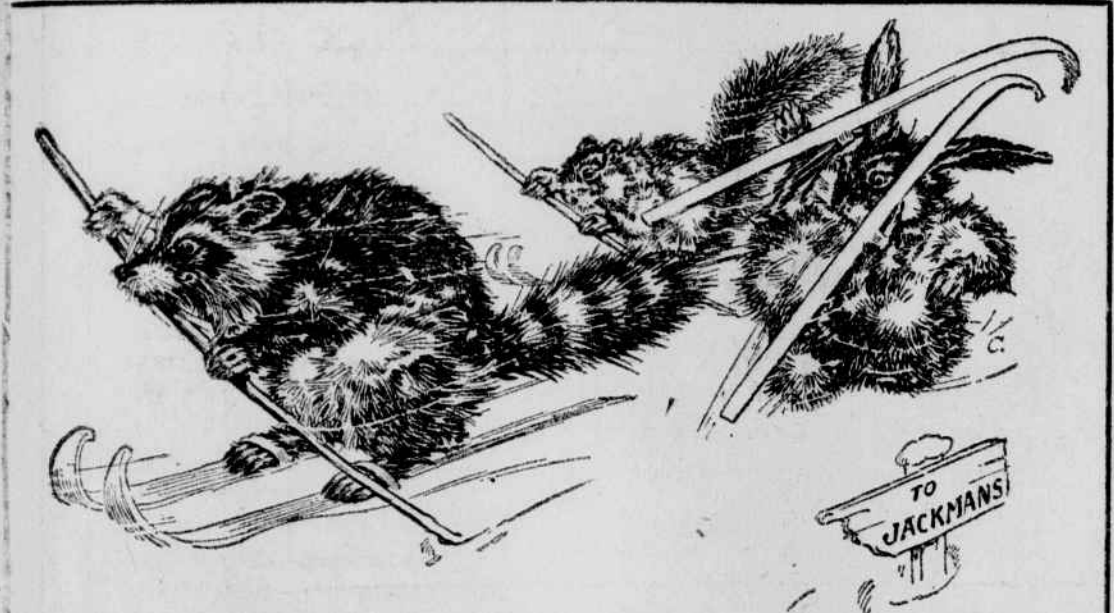

Imported models from the leading French houses. Also reproductions in rich materials combined with fur—brocades in gold and silver on color, silver cloths with plain velvets; also hand embroidery and metallic laces in great variety.

Still more luxurious are the wraps entirely of fur made from carefully selected pelts of Ermine, Mink, Mole and other furs endorsed by fashion this season.

Revillon fur models are created in Paris but the skins from which they are made come directly from our own trading posts in Canada, Siberia, and wherever fur animals are trapped or raised.
